SUPERFICIE SURFACE

Reserva de Biosfera	Gallies
Año de declaración	2024
País	Pakistán
Región biogeográfica	Región de Gullies (Pakistán)
Categorías de protección	Reserva de la Biosfera
Principales biomas	Bosques y montañas

Breve descripción
La Reserva de la Biosfera de Gallies está situada en Khyber Pakhtunkhwa, en la ecorregión húmedo-templada del Himalaya occidental. El sitio comprende ecosistemas muy diversificados, como praderas subalpinas y bosques de coníferas, bosques templados húmedos y pinares subtropicales. "Las Reservas de la Biosfera de la UNESCO son la prueba tangible de que la humanidad puede vivir en equilibrio con la naturaleza. Las autoridades locales han desarrollado diversas infraestructuras para los turistas, que atienden a unos 2,5 millones de visitantes al año.

Entidad gestora	Autoridad de Desarrollo de Galiyat (GDA), Gobierno de KPK Pakistán

Gestión
En planificación.

Biosphere Reserve	Gallies
Year of designation	2024
Country	Pakistan
Biogeographic region	Gullies Region of Pakistan
Protection categories	Biosphere reserve
Major biomes	Forest and mountain

Short description
The Gallies Biosphere Reserve is located in Khyber Pakhtunkhwa in the moist-temperate Western Himalayan Ecoregion. The site comprises highly diversified ecosystems, including sub-alpine meadows and conifer forests, moist temperate forests and subtropical pine forests. "UNESCO biosphere reserves are tangible proof that humanity can live in balance with nature. Local authorities have developed a variety of infrastructure for tourists, which cater to approximately 2.5 million visitors per year.
